# Instructions for a Computer 

(24 Cells Long, 12 Rows)

Row 1: Space 3 times, make "with", make "for" 28 times, make "of".
Row 2: Space 3 times, make "for", make " q ", make " g " 26 times, make "er", make "for".
Row 3: Space 3 times, make "for", make letter " 1 ", space 26 times, make dots (4, 5, 6), make "for".

Row 4: Space 3 times, make "for", make letter "l", space 26 times, make dots (4, 5, 6), make "for".

Row 5: Space 3 times, make "for", make letter "l", space 26 times, make dots ( $4,5,6$ ), make "for".

Row 6: Space 3 times, make "for", make letter "l", space 26 times, make dots (4, 5, 6), make "for".

Row 7: Space 3 times, make "for", make letter " 1 ", space 26 times, make dots (4, 5, 6), make "for".

Row 8: Space 3 times, make "for", make letter " 1 ", space 26 times, make dots ( $4,5,6$ ), make "for".

Row 9: Space 3 times, make "for", make letter " 1 ", space 26 times, make dots (4, 5, 6), make "for".

Row 10: Space 3 times, make "for", make letter "l", space 26 times, make dots (4, 5, 6), make "for".

Row 11: Space 3 times, make "for", make letter "l", space 26 times, make dots (4, 5, 6), make "for".

Row 12: Space 3 times, make "for", make letter "l", space 26 times, make dots (4, 5, 6), make "for".

Row 13: Space 3 times, make "for", make "of", make "were" 26 times, make "with", make "for".

Row 14: Space 3 times, make "er", make "for" 28 times, make " $q$ ".
Row 15: Space 15 times, make "for" 6 times.
Row 16: Space 3 times, make "with", make "for" 28 times, make "of".
Row 17: Space 3 times, make "for", space 2 times, make "and", make "x" 6 times, space 14 times, make "with", make "of", space 2 times, make "for".

Row 18: Space 3 times, make "for", space 2 times, make "and", make " $x$ " 2 times, space 1 time, make " x " 2 times, space 1 time, space 13 times, make "er", make " q ", space 2 times, make "for".

Row 19: Space 3 times, make "er", make "for" 28 times, make "q", space 1 time, make "with", make "for" 2 times, make "of".

Row 20: Space 33 times, make "with", make "for" 4 times, make "of".
Row 21: Space 3 times, make "with", make "q", make "g" 26 times, make "er" make "of".
Row 22: Space 2 times, make "with", "make " $q$ ", space 1 time, make "x", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make "x", space 1 time, make " $x$ ", space 1 time, make "x", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 2 times, make "er", make "of".

Row 23: Space 1 time, make "with", "make " $q$ ", space 1 time, make " $x$ ", space 1 time, make "x", space 1 time, make "x", space 1 time, make "x", space 1 time, make "x", space 1 time, make "x", space 1 time, make "x", space 1 time, make "x", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 1 time, make " $x$ ", space 2 times, make "er", make "of".

Row 24: Make "with", make "for", make "were" 8 times, make "for" 16 times, make "were" 8 times, make "for", make "of".

Looks like this:

```
        ::! 吅
```

```
        ::: \vdots::
        #:: \:%
        :! !:
        ::. ::
        ::O
        ::: !::
        ::: \:%
```

```
        :: :: :: :: :%::
```

```
        #: :::::::: ::::::: # :% #:
```

```
                        :: :: :: :: :: ::
```

```
    :: :: :: :: :: :: :: :. :: :: :: :: :. :: :: 古:
::: :: :. :. :. :. :. :. :. :. :. :. :. :. :. :! ::
```
